How to Play:
1. Starting the Game:
- The game begins with a shuffled deck of cards.
- A card will be drawn and shown to you, along with its suit and rank (e.g., "5 of Hearts").

2. Making a Guess:
- You need to decide whether the next card drawn from the deck will be higher or lower than the current card.
- You will enter 'h' for "higher" or 'l' for "lower".

3. Card Rankings:
- The cards are ranked from Ace (lowest) to King (highest)
- Ace = 1, 2, 3, …, 10, Jack = 11, Queen = 12, King = 13.

4. Scoring:
- Correct Guess: You will earn 20 points if your guess is right.
- Incorrect Guess: You will lose 15 points if your guess is wrong.
- You will only be disquallified if you end the game with a negative score.
5. Game Rounds:
- The game consists of 8 rounds (guesses). After each guess, the next card becomes the "current card," and you continue guessing until all 8 cards are played.

6. Ending the Game:
- After 8 rounds, you'll see your score, the highest score will be recorded.
- You can choose to play again by pressing ENTER or quit the game by typing 'q'.

7. Initial Score:
- You start the game with a score of 50 points.
